Bank of Japan

Amendment to "Basic Principles for Disposal of ETFs and J-REITs"

At the Monetary Policy Meeting held on October 29 and 30, 2026, the Policy Board of the Bank of Japan decided to amend the "Basic Principles for Disposal of ETFs and J-REITs" with the aim of conducting the disposal of ETFs smoothly (see Attachment).

Attachment

Amendment to "Basic Principles for Disposal of ETFs and J-REITs"

- Paragraph 2. shall be amended as follows.

2. Method of sales

(1) Details of sales of ETFs and J-REITs shall be as follows:

(a) ETFs shall be sold at a pace of about ~~330~~860 billion yen (book value basis) per year, with consideration to spreading out the timing of the sales.

(b)
(c) (No change)

(2) (No change)

(Supplementary Provision)

The amendment shall become effective on January 1, 2027.
