

October 21, 2015
Bank of Japan

Change in the Release Date of "Issuance, Redemption, and
Outstanding of Public and Corporate Bonds (Floated in Japan)"

The release date of "amounts outstanding by type of holding" of "registered government bonds" and "book-entry government bonds" in "Issuance, Redemption, and Outstanding of Public and Corporate Bonds (Floated in Japan)" -- currently on the second business day of the month concerned -- will be changed to the sixth business day of the month from November 2015 onward.
