- Notes: **1** Moreover, figures of the reinvested earnings-related items for January of year y are revised.
- 2** For the reinvested earnings-related items, figures for January of the third preceding year onward are revised. For the other items, figures for January of the second preceding year onward are revised.
- 3** Figures from May of the second preceding year through April of the preceding year are revised so that reinvested earnings are reflected in the period in which they were actually earned. Figures for April of the preceding year are carried forward for May onward. (While the figures are carried forward through to the release of data in October of the following year, they are revised in the annual revision in April of the following year.)
- 4** Annually revised data for the first through third quarters of the preceding year are reflected.
- 5** In addition, weekly figures are released.
