## Changes in Items in "Sources of Changes in Current Account Balances at the Bank of Japan and Market Operations"

In line with the expiration of "Principal Terms and Conditions of the Special Funds-Supplying Operations to Facilitate Financing in Response to the Novel Coronavirus (COVID-19)," the Bank of Japan will change the formats of "Sources of Changes in Current Account Balances at the Bank of Japan and Market Operations" and discontinue updating the relevant time-series data. The details are as follows.

### 1. Daily data

The item "Special funds-supplying operations to facilitate financing in response to the novel coronavirus" will be deleted from "BOJ Loans and Market Operations."

### 2. Monthly data (final figures)

The item "Special funds-supplying operations to facilitate financing in response to the novel coronavirus" will be deleted from "BOJ Loans and Market Operations (excluding the Loan Support Program)" and "Amount outstanding."

Note: The item "Special funds-supplying operations to facilitate financing in response to the novel coronavirus" will be deleted, beginning with the data for July 2024, when the data for "Previous year" become unavailable. However, the item of the abolished operations will be released in the March 2025 data, which include the data for entire fiscal 2023.

### 3. Time-series data

Updating the data of the item "Special funds-supplying operations to facilitate financing in response to the novel coronavirus" under "BOJ Loans and Market Operations" and "Amount outstanding" will be discontinued.

Note: The item "Special funds-supplying operations to facilitate financing in response to the novel coronavirus" will no longer be updated from the July 2023 data.
