Announcement on Purchases of ETFs and J-REITs Conducted through
the Asset Purchase Program

Today, the Bank of Japan completed the necessary preparations for the purchases of ETFs and J-REITs set forth in the “Principal Terms and Conditions for Purchases of ETFs and J-REITs Conducted through the Asset Purchase Program” (Policy Board Decision on November 5, 2010).

On and after December 15, 2010, when the Bank purchases ETFs and J-REITs through the trustee, taking into account the conditions in the market, amounts traded will be posted on this website on the trade date.
