

**Maximum Amounts Outstanding of a Single Issuer's
CP and Corporate Bonds to Be Purchased**

The Bank of Japan has decided the maximum amounts outstanding of a single issuer's CP and corporate bonds to be purchased based on paragraph 4. of the Supplementary Provision of "Principal Terms and Conditions for Outright Purchases of CP and Corporate Bonds" as follows.

1. Outright purchases of CP

Period	Maximum Amount Outstanding to Be Purchased	Ratio to the Total Amount Outstanding of Issuance
From October 2022 to March 2023	100 billion yen	37.5%

2. Outright purchases of corporate bonds

Period	Maximum Amount Outstanding to Be Purchased	Ratio to the Total Amount Outstanding of Issuance
From October 2022 to March 2023	200 billion yen	30%

Note: The Bank may change the conditions listed above as needed, taking account of market conditions.
