**Maximum Amounts Outstanding of a Single Issuer's
Corporate Bonds to Be Purchased**

The Bank of Japan has decided the maximum amounts outstanding of a single issuer's corporate bonds to be purchased based on paragraph 4. of the Supplementary Provision of "Principal Terms and Conditions for Outright Purchases of CP and Corporate Bonds" as follows.

Period	Maximum Amount Outstanding to Be Purchased	Ratio to the Total Amount Outstanding of Issuance
From January to March 2024	150 billion yen	30%

Note: The Bank may change the conditions listed above as needed, taking account of market conditions.
