Bank of Japan

Amendment to "Prices of Eligible Collateral"

The Bank of Japan shall amend the following rules based on a regular review of the appropriateness of collateral prices and margin ratios in light of recent financial market developments, with a view to maintaining the soundness of the Bank's assets as well as efficiency in market participants' use of collateral.

These amendments shall become effective on November 27, 2026.

1. "Prices of Eligible Collateral" (see Attachment 1)
2. "Margin Ratios for the Purchase/Sale of Japanese Government Securities with Repurchase Agreements" (see Attachment 2)
