Notes: 1. Based on the records of investment or lending that were submitted to the Bank during October 1-17, 2013 for the 14th new loan disbursement of main rules, the 10th new loan disbursement of special rules for equity investments and asset-based lending, the 7th new loan disbursement of special rules for small-lot investments and loans and the 6th new loan disbursement of special rules for the U.S. dollar lending arrangement under the fund-provisioning measure and were confirmed by the Bank that investment or lending was carried out under their plans to support strengthening the foundations for economic growth. Given that the funds under the measure will be provided based on the amount requested within the records of investment or lending, the amount of loans to be provided does not necessarily equal the total amount of actual investment or lending.

The areas for strengthening the foundations for economic growth listed in the table are based on the 18 areas listed in the Annex of the Principal Terms and Conditions for the Fund-Provisioning Measure to Support Strengthening the Foundations for Economic Growth Conducted through the Loan Support Program. In addition, the items of special rules for equity investments and asset-based lending to enhance the fund-provisioning measure to support strengthening the foundations for economic growth in the table are limited to equity investments.

Furthermore, the effects for strengthening the foundations for Japan's economic growth listed in the table are based on the 3 effects listed in the Annex of the Special Rules for the U.S. Dollar Lending Arrangement to Enhance the Fund-Provisioning Measure to Support Strengthening the Foundations for Economic Growth Conducted through the Loan Support Program.

2. Based on the records of investment or lending that were submitted to the Bank during October 1-17, 2013 for the 10th new loan disbursement of special rules for equity investments and asset-based lending under the fund-provisioning measure and were confirmed by the Bank that investment or lending was carried out under their plans to support strengthening the foundations for economic growth (this item is limited to asset-based lending).
3. Based on the records of investment or lending that were submitted to the Bank for the 1st-14th new loan disbursement of main rules, the 10th new loan disbursement of special rules for equity investments and asset-based lending and the 7th new loan disbursement of special rules for small-lot investments and loans under the fund-provisioning measure and were confirmed by the Bank that investment or lending was carried out under their plans. The investment or lending amount does not reflect reduction due to bullet repayment or scheduled repayment.

4. The number of financial institutions that submitted their plans to support strengthening the foundations for economic growth to the Bank during June 18, 2010 - October 8, 2013, and obtained the Bank's confirmation that their plans satisfied the conditions for the fund-provisioning measure.
5. The number of financial institutions that obtained the Bank's confirmation that their plans satisfied the conditions for the fund-provisioning measure, and stated in their plans that they make investments and loans each of which amounts to 1 million yen or more but less than 10 million yen.
